# EDITOR'S NEWS & NOTES

BY SHELLEY MATTHEWS, NEWSLETTER EDITOR

Get ready for the **elections** for a new board! Voting will begin soon. Emails will be sent to the voting membership (primary and co-members). Please make sure you vote!!

The Social committee will be putting out a **survey** to all members (primary and co-members). This survey will cover socials and the Roundup newsletter. We want your feedback so activities can be targeted to what our members want to, and will, attend. So start thinking about how you want our club to move forward and prepare to give us your feedback.

Information on the **Christmas Party** is coming soon!! This year we'll be celebrating at The Club at Sonterra. The plan is to have some fun, new activities in a festive holiday setting. A notice will go out when the event is available to sign up on clubregistration. Be sure to sign up early - seating is limited.

**Speaking of the holidays**.....not sure what to get your Porsche enthusiast for Christmas? Check out the pca.org website at - [Membership/Shop PCA/Region Website/Longhorn](#) - for Longhorn specific items. There are also PCA items that make great gifts! Easy to order and have shipped directly to you. Not sure what color or size? You can even get gift certificates and let them pick exactly what they want. Take a look before the items are gone!!

We will soon have a **new board** to take us into 2023. Now that the pandemic is over (well - sort of) we can get back to scheduling events for the entire year. Please let any board member know of any events you'd like to see scheduled or any ideas you have. This is YOUR club and they really do want to know your thoughts and ideas. And don't forget to volunteer!! Even if it's just for one social or one autocross or being a member on a committee - your help is very much appreciated. So step up and let's make 2023 another banner year!!

It's been a year of **giving back** to our community for The Longhorn Region and the giving continues. Fiesta Challenge gave proceeds to K-9 for Warriors and Meals on Wheels. On October 29 we will be driving out to Boysville/Girlsville for a Trunk-n-Treat, and our annual Christmas Party benefits Toys For Tots. Let's continue to support our community.

# PRESIDENT'S CORNER

BY JUD WALFORD, LONGHORN REGION PRESIDENT

If you have endured the torturous Summer then you are in for more activities as our Longhorn Region PCA year closes out. Before it does, you can enjoy Autocrosses, Track Day,

more interesting Drives and two special social events. Also, don't forget Halloween Trunk or Treat at Boysville/Girlsville.

On October 1st, Longhorn Region celebrated its 60th Anniversary

with a picnic and concours at the fabulous Guadalupe River home of member Jim and Ramona Peck. It

was one of the most successful events ever for our Region. Some 100+ members, 55 cars and 37 Concours entries and fabulous Bar-B-Q and every kind of side dish and dessert you could ever hope to try. Thanks again to Jim and Ramona Peck for their wonderful hospitality and sharing their unique property.

We are also planning another Golf Tournament as the one in April was very successful and everyone had a blast. Look for more details soon.

Our last event of the year is the Annual Christmas Party this year at a new venue, The Club at Sonterra. Great facility and menu with special 60th Anniversary gifts and give-aways and presentations. Don't miss it!

It is that time of the year for the election of officers. You will notice that I am not on the ballot. I have enjoyed the last three years as Treasurer and President but it is time for new blood and we have some excellent new candidates who are capable and ready to serve. Be sure to vote. I hope you will give the new Board the same support I have enjoyed over the years. I will still be involved on the Board as Past President and Concours and Fiesta Challenge Chair and look forward to continuing my active role in the club.

As you know if you read this column, I am always encouraging members to get involved and find the activity that interests you and be a part of it. I want to preach that theme again as I know there are many of you out there who have not participated. I can only say "Try it...you'll like it".

So have a great Fall. See you at Autocross... Track Day...Monthly Meeting...Drive...Picnic... Christmas Party? Hopefully at all of them!

# ZONE 5 NOTES

## CHUCK BUSH, ZONE 5 REP

PCA growth continues apace with over 98 thousand primary members and 150K+ total members. Zone 5 is helping lead the pack with the Maverick region leading in the category of actual growth, and the Rio Grande Valley region leading the factored growth. Way to go, and keep up the good work!

Some of you may ask what is the Rio Grande Valley region. It is the new name of the Coastal Bend region. The name was changed to better represent its membership. That growth is a direct reflection of the leadership in the region reaching out to Porsche owners in the area and bringing them into PCA.

Speaking of leadership - PCA and Zone 5 lost a great one recently with the passing of Robert (Bob) Miller. Bob was a 60-year member of PCA - former PCA President, Bill Scholar Award winner, Zone rep, region officer, etc. He helped lead Tech Tactics and made it one of the premier Porsche events in the country for many years. Bob was very charming, and super successful in getting volunteers, because it was hard to say no to someone that was so nice and gave so much himself. He will be greatly missed.

There are a couple of large Porsche events held in the Zone every year. Boxstoberfest on the second weekend in Sept., and Palooza on the second weekend in Nov. Boxstoberfest was very successful this year with over 100 cars cruising around the Texas hill country. In its 25th year, it is a fun event that drew participants from all across the zone. The granddaddy of Porsche events is the PCA Palooza

held in Eureka Springs, AR. This is one of my favorite Porsche events in the country as it is a low key, non-commercial party with great roads, cars, and people. I know I will see a lot of you there this year!

At the National level, PCA continues to deliver value to its membership by putting on great events both by itself, and in partnership with Porsche. National events continue to draw large and growing participation and provide a great time for participants. Werks Reunion, Sportscar Together Festival, Treffens, Parades, and the upcoming Rennsport Reunion VII. These are all great events, and definitely worth considering. Ask folks that have attended them in your region the ins and outs of registering and attending for tips on how to make your experience that much better. Events like Rennsport Reunion require planning a year out, so don't delay if you want to attend. Parades and Treffens sell out quickly, but you can get in with the right planning. Your region leadership can also help provide advice on how to attend.

There is so much going on in PCA, in your region, across the Zone, and across the country. I hope you are getting the opportunity to get out and experience the nationwide community that is PCA.

See you out on the road.

Chuck Bush  
Zone 5 Rep.

Dinner at Krause's

by Chris Royter, Secretary

Summer evening of August 4th we gathered at Krause's Biergarten in downtown New Braunfels for our monthly dinner.

This is a great venue to visit even though

parking is a bit of a challenge. To be a Biergarten in New Braunfels

you have to be pretty authentic to pull it off, and they do. Delicious German food and over 100

beers to choose from. Building has a beautiful indoor area

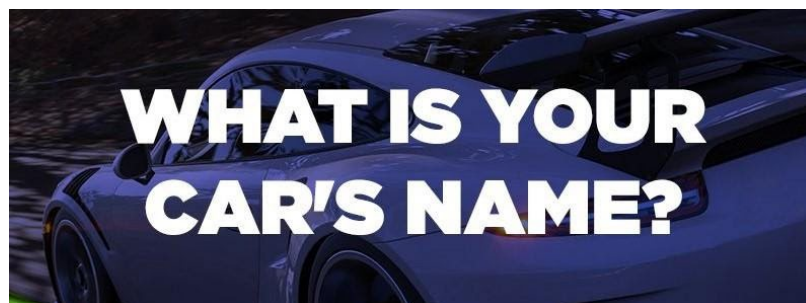

with traditional picnic table seating. There is a nice outdoor Biergarten with a band stand providing live music Wed-Sun.

On this evening we were seated at a group of tables inside. Our members

ordered as they arrived. Service was great and we

enjoyed excellent German beers and entrees. Tonight it was too noisy and not private enough for our typical meeting. Instead, we enjoyed socializing with each other after dinner. If you have not been to Krause's, give it a try!

## T's n Chester's

September 1st LHR monthly dinner was at Chester's Hamburgers on Loop 410 close

to the Airport. It was great weather, and we had a really nice Porsche line-up outside.

New Longhorn Region T-Shirts are here! Fresh off the printing press these soft cotton T's are available in men's Sm, Med, Lg, XL, 2X and 3X.

Colors choices are red, dark gray, light gray and medium blue with a vivid LHR logo on the

front. Thank you to Shelley Matthews for your efforts to make this happen. Shirts are \$10 cash each. These will be available for sales at the monthly dinners while supplies last.

Chester's has a nice banquet room. It is roomy, quiet and festive. The Grilled Chicken Sandwich looks tasty along with the Fish Basket. I went with my go-to - the Double Cheeseburger

all the way with a cold Spaten Okt. Hope they

bring back the Onion Rings soon, they're great.

Greetings to our new member tonight, Ryan Cover. He is the proud owner of a 718 Cayman S and a Macan S. Welcome to the group Ryan; we look forward to having you at our events.

James Bricken started the meeting at 7:00p.m. He updated us on upcoming Fall AutoX Dates. Lap timing went very well last event. A big thank you to James B and Mikel for perfecting the new timing system. Next date is 9/24 with more to follow. Are you a FIRST TIME AutoX-er? If so, your event fee will be waived. Contact James B when you sign up on Club Reg so he can adjust your fees. Just a few days now until Boxstoberfest in Fredericksburg; many thanks to Chuck Bush for orchestrating this multi day event. Don't forget to sign up for our Annual Fall Picnic on 10/1. Organized by our great Social Committee, this is a fun event with buffet lunch, concourse, prizes and more. Marble Falls Tour on 10/8, a one-day tour and thanks Steve W. for organizing and leading this tour.

We all took part in drawing for door prizes. LHR

T-shirts, hats, visors, books, backpacks, cooler and more. Helen was the proud winner of the red Porsche clock!

## Board Meeting Minutes

Date: April 27, 2022 Location: SA, TX 78232

Time called to Order: 6:16pm

Attendees: Jud Walford, President; James Bricken, Vice President; Ignacio Fortuno, Treasurer; Chris Royter, Secretary; Chuck Bush, Zone 5 Rep. Quorum Present, Yes

### 1. Review of Minutes from previous meeting, corrections, or amendments

Minutes were reviewed from 1/4/22 Zoom meeting, Motion was made to approve minutes. Motion had a second and vote was passed to approve.

### 2. Financial Review

Ignacio reviewed current financial statements. Club shows good position. Breakdown of our various club events show a break even typically with room to subsidize more as needed. Club has held a steady cash on hand position for many years.

Breakdown of 2022 Fiesta Challenge shows good results. Club generated net of \$4500 in proceeds. Strong showing from golf event and raffle sales. Donations to the Fiesta Challenge Charities to me made at monthly dinner on May 5, 2022.

### 3. New Business

a. Club By Laws Review: Current By laws as drafted on Feb. 24, 2015 are sufficient and do not require any amendments at this time.

b. Track Day: General discussion and review of 2022 track day schedule. Concern about having enough leaders to run event and participants to make it justified. Main concern is safety. May 20, 2022 event to be run by Chuck Bush. Current participant sign up is at 19 drivers. Event break even is approx. \$2800 which club can cover even if participation revenue is less. Chuck and James to make final decision on the viability of the May 20th date to ensure proper coordination and safety for all participants. Club wishes is to maintain LHR track dates with Harris Hill in good standing.

c. Autocross: The second autocross event of 2022 is scheduled April 30th. Participation is up and event cost is close to break even. Venue fee is \$800 and Insurance is \$200. New laptop was purchased along with improved timing software to facilitate the event. Mikel Matthews is working on setting up the timing system for the event on April 22.

d. Executive Council Meetings: It was suggested to the board to hold more executive council meetings. Discussion on this topic emphasized communication to EC Chairs and other club members to bring up topics for discussion at monthly club dinner meetings. Jud is open to any idea or suggestion to review at these dinner meetings. For formal BOD and EC meeting decision was to conduct 2 each year meeting in January and June via Zoom platform. Motion was made to hold next BOD and EC Zoom meeting on June 30, 2022. Motion had a second and vote was passed to approve.

e. LHR Club non-profit status and expenditures. Discussion and review of our Non-profit status and the need to spend more funds the club holds. Suggestions for this included,

- more trophies for Autocross events and end of year class winners
- purchasing appetizers for meet and greet hour at the dinner meetings
- having more "picnic" type events with club provided meals/
- purchasing more "give away" swag for the meetings and events
- providing LHR t-shirts to event participants
- providing LHR polo shirts to event directors, judges and staff
- sponsoring 2 new member dinners per year
- providing subsidy for the Boxstoberfest event

Motion was made to approve purchase of LHR T-shirts and Polo shirts to give away for prizes, recognition, and service at events. Motion had a second and vote was passed to approve.

Time of adjournment: 7.52p.m. Board Minutes Approved on 9.29.22

## LHR BOD E-minutes 1.1.22-9.28.22

### Board Email Communication Proposals and Decisions

Feb 4, 2022

Jud Walford (J.W.) proposed Fiesta Challenge proceeds be donated to K9 Warriors and Meals on Wheels of San Antonio. Ignacio Fortuno (I.F.) and Chris Royter (C.R.) also voted in favor and proposal was approved.

Mar 14, 2022

Ignacio proposed the purchase of a new laptop for Autocross to help eliminate issues with recording lap times. A Best Buy link was provided with estimated cost of \$900. J.W. and C.R. also voted in favor and purchase was approved.

April 11, 2022

Jud Walford provided estimated financial picture from Fiesta Challenge. This calculation shows \$4000 in proceeds and \$900 in individual donation. Proposal was made to give each Charity \$2500.

J.W., I.F. and C.R. voted in favor and proposal was approved.

May 10, 2022

Mikel Matthews contacted board about improving autocross equipment to reduce timing errors. Requesting Yaggi style antenna \$169.95 and another set of wireless electric eye \$270.00. Discussion was made over increasing participant fee to \$40 to help offset cost. Motion was made to approve purchase with I.F., C.R., J.W. votes approve motion. Participant fee kept at \$35 for now, maybe increase in Fall session.

June 24, 2022

Shelley Matthews reviewing proposal for new members social on 7/21/22 at Stonewerks Vineyard.

Shelley Matthews presented to board plans and costs for upcoming New Members Social. \$531 plus tax n tip for buffet (\$500 to be provided from National) \$200 for additional door prizes. Motion was made, second and vote approved by J.W., I.F., C.R. Discussion also made about getting LHR t-shirts.

June 25, 2022

Shelley followed up on T-shirt idea and purchase. Will use 4imprint to produce. Will need to select shirt brand, estimated current cost +/- \$800. Purchasing club t-shirts was approved by board earlier this year. Just a matter of placing order, etc.

August 23, 2022

Jud Walford proposed to board to upgrade Concours trophies for the upcoming 60th year picnic. Seven categories with a winner and runner up trophy, cost for all around \$450. Board approved.

September 18, 2022

Jud Walford proposed to board to have a fall golf event similar to the popular Fiesta Challenge golf event. Quarry Golf Club has availability on November 13 at 1p.m. Cost for entry \$95 to cover entry, swag, and other expenses. Should not cost club. 9/20/22 approval was made by all board members.

# Autocross Results from Sept. 24 Article by Mike Matthews

Overall Indexed Results

Longhorn PCA Autocross Sept. 24, 2022

On Sept 24 the LHR had its first fall autocross. We had 19 cars and 25 people at the event. For many it was their first event and from talking to many of them during and after the event they really enjoyed themselves. We did things a little different for this event and didn't charge an entry fee for the first timers.

The event consisted of two heats of eight runs each (one run to get used to the course and seven timed). We had one group driving and another working the course. After the first eight runs were completed, the groups changed places and we started running again.

When the event was completed awards were given out for the PAX winner, the first to register and the first novice to register for the event. The last thing we do when we finish the event is to break down the timing equipment, tent, and pick up the cones. Please consider helping the event staff get everything down and stowed in the trailer.

# Drive to Blanco and the Buggy Museum

Article by Shelley Matthews and Photos by Mike Matthews

On August 20th a group of Porsches made their way through hill country roads to Blanco and the Buggy Barn Museum. Although I've passed by that museum hundreds of times on my way to Johnson City or Fredericksburg, I'd never stopped by to take a look inside. Much to my surprise it was much more than just full of old buggies. There was an entire old west town - complete with a cemetery - where movie scenes have been filmed, along with buggies and covered wagons that have appeared in numerous TV shows and films. Some of the movies were the remake of *True Grit* and *Abraham Lincoln Vampire Hunter*. There was even a buggy with the style of carriage that was the beginning stage of the 1957 Porsche 597 Jagwagen (Hunting Car)! We got a personal tour with Pistol Packin' Paula - a world renown gun spinner champion - who had so much information about all the history of the buggies. This is truly a Texas hidden gem! So if you've never stopped at the Buggy Barn Museum before make sure you put it on your bucket list.

# Fall Picnic

Article by Shelley Matthews,

Photos by Betty Campbell, Donna Clement, and Brad Laue

This year's annual fall picnic and concours was held on October 1 at the home of Jim and Ramona Peck. We had a record 105 people attend with 55 cars and 37 cars entering the concours. Rudy's famous BBQ catered the meats along with their creamed corn, potato salad, cole slaw and with everyone else bringing a side dish or dessert - needless to say - there was LOTS of food!

Longhorn Region is celebrating our 60th Anniversary this year. So, everyone attending received a free t-shirt commemorating this special event!

The weather was perfect with temps in the 80's (after a record high Texas summer) and a cloudless sky. A special thanks goes out to the Peck's for hosting again this year! And thanks to Jud Walford for running the concours and all the volunteers helping to put the picnic together, judging the concours, and cleaning up afterwards. Everyone had a great time!

And Happy 60th Anniversary to the Longhorn Region and all its members.

Donna and Shelley give out 60th anniversary t-shirts.

# Boxstoberfest

Article by Betty Campbell

Photos by Betty Campbell and Shelley Matthews

Boxstoberfest – Not Just for Boxsters!

Over 100 Porsches flocked to Fredericksburg September 9-10 for Boxstoberfest. For many, this has been an annual event for years, but it was my first

time and quite an eye-opener. For the longest time, I thought Boxstoberfest was just for Boxsters. But quite to the contrary, every year, model and color can be found there!

Chuck and Susie had mapped out some incredible drives through the Hill Country, ranging from driver-led to scenic drives on your own, and of course a gimmick rally!

Friday there were choices – we did the Wine Country tour. Thankfully it was with one of the Fredericksburg wine tour companies so we were on a bus, not driving ourselves. Twenty-eight of us visited three wineries. It was cool because the wineries were all very different. The first was Arrowhead Creek, a small boutique winery; the second Safari Winery where we tasted their wines from south of the equator (Chile, Argentina, and South Africa); third at The Edge tasting room where we explored wines from English Newsom Cellars in Lubbock. Even sharing a single tasting at each, I think two wineries would have been sufficient for most of us!

The big event for me was seeing 100+ Porsches lined up on the active runway at the Gillespie County Airport. From one end to the other and even wrapping around the ends of the buildings, all you could see was Porsches.

Besides the cars, one of things I enjoyed most was seeing all the families with young kids excited to

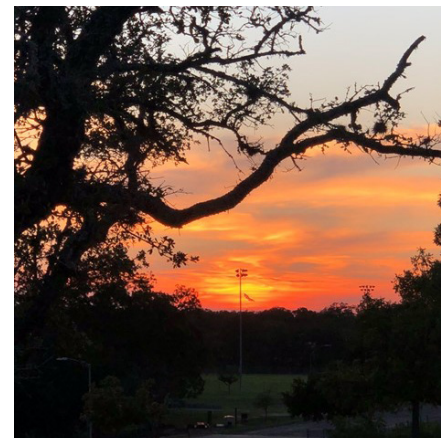

be there. (Seems the gimmick rally is a big hit with families!). The next generation of Porsche lovers is on the move!

There were 6 groups doing the driver-led drive, 3 groups driving the route clockwise and 3 driving it counterclockwise. This is the first time Kris had led a group and I have a newfound appreciation for those leaders (and their navigators!). We went out several weeks in advance to drive the route, note areas of particular concern (like sharp curves) and have an idea where we were going so we wouldn't lead 13 unsuspecting cars into oblivion! I'm so glad we did – the direction we were leading was missing the road sign at the very first turn and we missed it on our trial run! That would have been a very embarrassing start! All in all, I was stressed the whole drive making sure we were making the correct turns and not losing anybody!

The event wrapped up with a banquet Saturday. Food, music, dancing, and door prizes after 2 days of Porsches – what more could you want?!

There were people from all over and talking to them made me realize just how lucky we are to live here in the Hill Country. Folks drove a long way to come do what we can do any day we choose to!

Thank you to all of you (especially Chuck, Susie, Mike, Shelley, and Donna) who make events happen. The people behind the scenes are unsung heroes for all the hard work and time they put in to make them happen. Next time you pick up an event bag filled with goodies or take a drive with detailed directions, think of the people behind it and thank them. Better yet, volunteer to help!

# CAR WEEK ON THE MONTEREY PENINSULA

ARTICLE AND PHOTOS BY JUD WALFORD

Nowhere else, and at no time, can you walk down the street or pull into a parking lot and see a classic car show right there in front of you every day. Car Week on the Monterey Peninsula is the most unique week anywhere in America for car enthusiasts.

From silly cars at the Lemon show to little cars at the Little Car Show to the newest multimillion dollar Ferrari, Bugatti or Maserati, they are all here. They are at auctions, car shows and all along the street and parking lots...it is an overload of spectacular vehicles unmatched anywhere. It ranges from the latest premier models from every car maker to the classic cars from around the world in every class at the famous Concours D'Elegance on the 18th hole at Pebble Beach Golf Course.

Not to be outdone, Porsche is represented amply by the Porsche Club of America's Werks Reunion. Over 800 Porsches of all models and years are represented in concours competition, the display lot and...well everywhere.

This, being my 8th Werks Reunion, I have learned how to navigate the system and the venue, even though it is the 4th different location for this event on the Peninsula. This year it is located at the Monterey Pines Golf Course, otherwise known as the "Navy Course", and the better part of 3 golf holes where the entrance and practice areas are full of Porsches.

On display are the newest models, unusual cars, race cars and Porsches you didn't even know existed. In addition, almost 200 Porsches are entered in the Concours Competition. Sponsor booths abound all over the grounds and some serious swag is available as well as seriously priced souvenirs at the PCA sales booth.

A great prelude to the Werks Reunion is the show at Porsche Monterey a few days prior. It is a free event, and all Porsches are welcome to display on a first come basis as several city blocks are closed for display in addition to the dealer lot. Hundreds of Porsches and even the dealer repair garage is full. Local wineries and craft beer and whisky booths offer free drinks, and the crowds have the run of the facility to enjoy all the unique and valuable cars.

In addition to the pricy shows like Ferrari, The Quail, and Hagerty, there are lots of free activities. Two events in Pacific Grove are open to the public, a general car show and the Little Car Show. The most popular event of the week is Concours on the Avenue held in Carmel every year on Ocean Avenue which is closed off for many blocks to accommodate various classes of cars all out for all to see at no charge. Unfortunately, the event was cancelled this year due to the organizer having passed away. It should resume next year.

Another free look, this time at the cars from the Concours D'Elegance entries, is on Ocean Avenue a few days prior to the Concours when the cars make a tour around 17 Mile Drive and end up stopping for lunch in Carmel. If you find a spot on 17 Mile Drive you can see the cars in action, much better than standing still IMHO. Either way, you can see these cars without charge as opposed to the \$575 fee to attend the Concours D'Elegance.

The early morning bargain is the 4 a.m. visit to the Concours D'Elegance set up on Sunday Morning. If you can brave the cold and fog and early hour, Hagerty has some special hats for you.

I love the Monterey Peninsula and its natural beauty. It is one of the most unique places on earth

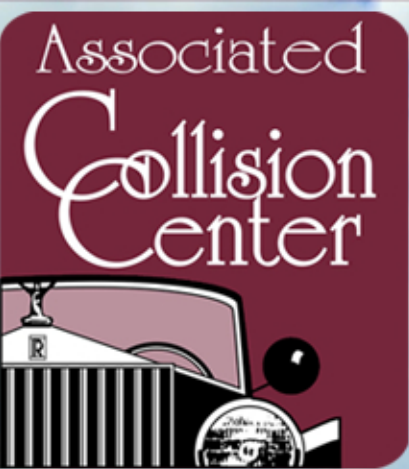

and with 100-degree temps in San Antonio, this place rarely above 70 is very welcome this year. If you come, you can expect high prices for everything from accommodations and food to the \$5 and above gas prices but as my wife likes to say, “you get what you pay for” and Monterey delivers. There are many other attractions to enjoy besides the cars with great drives on Highway 1 to Big Sur and beyond, the Hearst Castle, great wineries in Paso Robles and the many beaches on the Peninsula and in Santa Cruz.

The Monterey Wharf is fun and the food spectacular. San Francisco is less than 2 hours away and the Napa and Sonoma Wine Country a little further.

If I sound like a travel brochure for Northern California it is because it is truly a wonderful area and Car Week and the Werks Reunion are just icing on the cake. Think about a visit next year to Car Week and join me in a great place and great car events.

# HISTORICAL PORSCHE, PART 2

BY RJ WILLMOTH, PCA NATIONAL HISTORIAN

Greetings, Regional Executives:

Now that you have the name, we want you to earn some of the fame! To two or three of you, this will be your first notice that you have been unanimously elected as a Porsche Regional Executive. You are the PPE\*.

As a Regional Executive, you will process all memberships, i. e., you will hand out the applications, receive the checks and mail them to Dick Hall or Ken Twigg.

Enclosed is a brief summary to help answer any questions you may have. Refer also to Porsche Panorama. Remember also that you are one of the associate editors of Porsche Panorama. As such, it is your responsibility to see that information is sent in to R. Gamble Mann, 810 Vicar Lane, Alexandria, Va., editor of Panorama. Please

write the article, anecdote, or rallye news in journalistic form so it may proofread, and with only a minor change, be published in toto. If you have any questions regarding policy business matters of the Club, write to me direct. We are hoping to get ourselves organized on a thorough businesslike basis.

To repeat once more, Lucas Ziluca and William Brewster are our representatives re technical complaints in the matter of poor service, poor dealership, slowness of delivery of parts, etc. You are to write a letter, original and two copies. The original copy goes to Lucas Ziluca, second copy to the dealer, and third copy for your file. Please avoid humorous, ironic, or sarcastic remarks even though you may have all the justification in the world. It does nothing more than put back in your lap the same type of letter. We are anxious to expedite matters, not to keep them dangling because people wish to show their excellent command of the English language.

Get in touch with some of your responsible PCAers and ask them if they would like to be Membership Chairman, Activities Chairman, Secretary-Treasurer, or Associate Editor of Panorama for you Region. Give them some responsibility. Nobody likes to be an Indian --everybody enjoys being Chief. As a Regional Executive, you should, as soon as possible, have these other people do the work and you merely act as the clearing house. In that way, we will be able to build the Club into a strong active national organization.

Cordially yours.

Bing Ford

Policy Chairman

## Parade Zone Challenge

Things are not always serious at the Zone level. For a few years in the mid 2000's The Zones had a fun event at Parade. The Shell sponsored 2008 event is described below.

*Have you ever participated in a PCA driver education event? Do you know how to change a tire? Ever wanted to show your mechanic you know a few things about how to work on a Porsche engine? If you answered "Yes" to any of these questions, then this year's Shell Zone Challenge is for you!*

*Each of the PCA Zones have been asked to field teams to compete in events that are sure to entertain spectators and participants.*

*This year's events will be fun, challenging, car-related activities that will be much less physical than the events of prior parades.*

*This is your chance to show all of PCA that your Zone is the best!*

*To engage the spectators, each Zone will provide their own "Spirit Squad" with cheerleaders, signage, and assorted hoopla. Awards will be given at the Zone Challenge for overall and individual wins, as well as for the best zone participation, uniforms, cheerleaders and enthusiasm. Join us!*

## The Zone Representatives Award of Merit

This award, created in 1983, is presented by the Zone Representatives to individuals within PCA whom, in the opinion of the 14 Zone Representatives, have distinguished themselves by outstanding contributions to the Porsche Club of America, Inc. The PCA Zone Representatives' Award is made solely at the discretion of the Zone Representatives. This unique award may or may not be given annually.
